CRUISE COMPASS

DAY 2 Saturday, September 21, 2013

IMPORTANT THINGS TO KNOW TODAY

RELAX AND UNWIND IN NASSAU, BAHAMAS.

For a place now known for its warm smiles and balmy breezes, Nassau hasn't always been so easygoing. During its fascinating yet tumultuous past, this Caribbean haven sheltered religious dissenters, Spanish invaders, freed slaves, English Loyalists and rum smugglers. Even the most infamous pirates of the 17th century found refuge in its hidden harbors. Now a part of the British Commonwealth, Nassau is a far cry from its days as an outlaw republic. Visitors come from all over the world to enjoy its translucent waters, colonial charm, spirited nightlife and savory cuisine. But above all, people are drawn to the laid-back Bahamian way of life.

From the moment you hear the calypso beat, you'll begin to unwind. Spend the day sunbathing on a semi-private island. Go sailing on a luxurious yacht. Or take a leisurely walk to all the colonial sights including the Queen's Staircase and Fort Charlotte. Looking for a unique handcrafted memento of your travels? Head to the Straw Market along Bay Street, where you can bargain with local artisans for authentic straw bags, beaded necklaces and homemade jellies.

GET A TASTE FOR BAHAMIAN CULTURE

- Spice it up. The local cuisine is distinctively flavorful. Be sure to try the Bahamian conch chowder and conch fritters while you're here.
- Spike the punch. Bahamians take pride in their rum cocktail concoctions. Try the Goombay Smash.
- Move to the beat of the drum. The lively rhythm of Calypso, Junkanoo and Rake n' Scrape music is contagious.

BACK ONBOARD

1. Captain's Welcome Aboard Reception

The Captain invites all guests to a welcome reception held in your honor. Captain Gus will be available for guests who wish to have their photograph taken with him at 7:45 pm, Centrum, Deck 4. The Captain will then give his welcome aboard address and introduce the Senior Officers onboard. The ceremony will continue with a parade of flags presented by our crew, officers and staff.
7:45 pm - 8:30 pm, Centrum, Decks 4, 5

2. Dancing Under the Stars Poolside Party

Join DJ Lucian & your Cruise Director's Staff as they host an unforgettable evening of music and dancing under a starlit sky. Great ambience and fun for all.
11:00 pm - 1:00 am, Poolside, Deck 9 (weather permitting)
11:30 pm - 12:30 am, Pirate Cove Buffet (weather permitting)

GET ENTERTAINED

Look inside for today's show schedule.

GOURMET SPECIALTIES

When saffron spice arrived in Scandinavia in the 1300s, the rare Asian ingredient was reserved as a luxury for special occasions. We consider every cruise special, so we use it beyond our Scandinavia and Russia sailings — every guest can enjoy it in our Pan-Fried Silver Corvina Fillet. Derived from handpicked flowers that yield only a very small amount of the spice, saffron is often priced at rates higher than the cost of gold. But the power of its distinct flavor to enhance nearly any dish makes it truly priceless!

TODAY'S TIP

Formal

We kindly ask, please no tank tops or hats in the dining room at any time, and no shorts at dinner. We also ask that you please use a cover-up over your bathing suit, as well as footwear when entering the Windjammer Marketplace.

PHOTO IDENTIFICATION

Please remember to take your tour tickets, your SeaPass card and government issued photo identification with you when going ashore. Please have it handy at the pier security checkpoint when returning to the ship.

YOUR SAFETY IS IMPORTANT TO US

We feel it is important to make our guests aware that the U.S. Embassy recently published a safety warning for the Bahamas due to an increase in crime against tourists, mostly non-violent crimes such as robbery of personal items. Visitors to the Bahamas, like visitors to all foreign countries in the world today, need to be mindful of their personal safety. We recommend guests not venture too far from tourist areas, or consider participating in an organized tour. Also, to lower your risk of being a victim of petty theft or other non-violent crimes, please consider leaving valuables and irreplaceable items in your stateroom. We suggest you avoid wearing obviously expensive jewelry, carry only the cash or credit cards that you will need on each outing and keep your belongings secure and out of sight. This common sense approach and heightened level of awareness will help you enjoy your visit to the Bahamas.

WE'RE SENSITIVE!

We kindly request not to flush anything down the toilets except for the supplied toilet paper. Items such as wet wipes, tissue paper, make-up remover wipes, cotton buds, paper towels, sanitary products, diapers etc. Our system is very sensitive and works on a vacuum unlike land based systems.

AGRICULTURE LAW

Please be advised that absolutely no food of any kind may be taken off the ship and into our ports of call. Guests bags and purses may be spot checked.

MOPED & MOTOR SCOOTER ADVISORY

Serious accidents and fatalities have occurred when guests have rented or taken independent tours involving mopeds, scooters, wave runners (jetskis). Royal Caribbean strongly recommends that guests do not participate in such activities while ashore.

JUNIOR CRUISER'S CURFEW

Guests 17 years of age and younger who are not accompanied by an adult must be clear of all public areas by 1:00 am unless they are participating in organized shipboard activities.

DAY 3 Sunday, September 22, 2013

IMPORTANT THINGS TO KNOW TODAY

WELCOME TO COCOCAY, OUR OWN PRIVATE ISLAND PARADISE

Surrounded by the gentle, translucent waters of the Caribbean, the secluded island of CocoCay awaits. Beach-goers can blissfully bask on the white-sand shores reserved exclusively for Royal Caribbean guests. As a matter of fact, the entire island is all yours to explore and enjoy as you choose. And it's recently been updated with new aquatic facilities and nature trails... an idyllic wonderland to call your own.

Whether you're looking for some much-needed relaxation or searching for a bit of adventure, the opportunities are endless. Come aboard a catamaran and explore the abundant marine life in its natural habitat. Go snorkeling for an up close look at colorful coral reefs, tropical fish and sunken wrecks. Or soar 400 feet above the island on an exhilarating parasailing adventure. Kids and adults alike will find non-stop action at Caylana's Castle Cove, the largest aqua park with a huge sand castle and in-water trampolines. And when all this excitement begins to make you hungry, stop by the beach barbecue for a delectable buffet of foods, grilled to perfection.

ENJOY THE ULTIMATE BEACH DAY

- Hold on tight. Hop on a personal watercraft and tour the coastline and the neighboring Berry Islands.
- Get a little lazy. There's a hammock here with your name on it. Sink in...without any guilt whatsoever.
- Float around forever. With a view like this, that would be nice. Grab a floating beach mat and head out to the tranquil waters.

NOTICES

No Diapers- In accordance with United States Public Health regulations, young children in diapers/pull-ups/swimmers may not use the pools/whirlpools, even if accompanied by a parent/guardian. Guests are reminded there is no life guard on duty and all pool rules must be observed. Children must be supervised at all times..

Your Safety While Ashore- Don't let a misstep ruin your day in port. Mind your step on uneven sidewalks and streets. And please note that some curbs can be very steep.

Take a Towel to the Pool - Drying off after using the pool or one of the whirlpools reduces the amount of moisture on the deck and helps prevent slips and falls.

MARPOL Convention- Discharge of all garbage into the sea is prohibited except provided otherwise. The MARPOL Convention and domestic law generally prohibit the discharge of most forms of garbage from ships into the sea. Violation of these requirements may result in penalties. All garbage is to be retained onboard and placed in the bins provided.

Helpful Health Information- Medical experts tell us that the best way to prevent colds, flu, or gastrointestinal illnesses such as a Norovirus that can be transferred easily through person to person contact is to simply wash your hands thoroughly with soap and warm water after rest-room breaks and again before eating anything. Symptoms of Noroviruses include an upset stomach, vomiting and diarrhea. According to the United States Centers for Disease Control and Prevention, Noroviruses affect 23 million Americans on land each year. In fact, the only illness that is more prevalent is the common cold. Should you experience any gastrointestinal illness, please visit the ship's Medical Facility for a complimentary consultation and treatment if necessary.
